The Story:

Spent two wonderful hours making my fantasy come true with Libby was introduced to her through Hannah www.escorthannah.co.uk and spent the first two hours making my fantasy of girl on girl action come true.

They did everything i wanted ands whats more with great fun and more importantly a gsob I wont go into detail i'm sure you can fill in the dots yourself about the first two hours yourself but it was fantastic fun and i can honestly say it was enjoyed by all.

Libby was paid ?250 for that and then she had to go but their was no clockwatching on her part infact with us chatting in between she ran over a little bit and did'nt seem to mind a bit,Loved kissing her a true gfe.

And I spent the rest of the night with Hannah which cost me ?650 and she was a bargain! She can fuck for England as long as you can go on so can she!

A truly wonderful night i cant recommend the pair of them enough.
