The Premises:

Over a cafe on a main road, and with entrance at rear via side-entry. Bell is beside (locked) second of two security gates, and receptionist lets you in from there. Nicely turned out, with low lights, mirror, etc. Choice of two rooms.

The Lady:

Neither would claim to be in the first flush of youth (maybe 30s) or to be a classic beauty. However, both are slim but with good tits (Donna's nipples are both pierced), and Bonnie is amazingly tall (6' +). Donna has blonde medium-length hair while Bonnie's is dark (not natural?) and straight. Both are shaved and with well-sculpted and prominent cunt-lips. Both wore stockings.

The Story:

I'd been told that both are Bi-, and this performance would suggest that this is genuine. The 3 of us FKed together, I had OWO with one while FKing the other, then vice-versa, and then OWO from both simultaneously. Bonnie shagged me cow-girl while Donna lay alongside me and snogged me, then I took Donna in Mish while Bonnie snogged her.

It was a pleasant surprise to discover that both would take a facial and/or a CIM, so I had them lying on the bed FKing while I shot a load all over their faces. They then proceeded to lick the cum off each other - fantastic!

Finished with my usual cool-down massage.

Fellow-punters, these ladies are not the height of pulchritude, more girl/housewife-next-door, but their service and performance of it is amazing. I still can't work out how I have to shell out twice as much for this in Greater Brum, though, than in Greater Manchester. Equally, this afternoon's adventure involved a round-trip of only 45 miles cf. Bolton, say, @ 240 miles.
