The Story:

well, i'd booked inga and when the girl opened the door, thought she was going to show me to inga. when she asked for the money thought photos were completely wrong and realised i'd been given sabrina. as she was second choice anyway, paid up and got her to strip. lovely big firm tits but that's about all that was good. surly attitude, had bad breath and body smelt sweaty (surprising as i was meant to be her first punter that day). thought best to get over with asap and wanted cim, which we agreed at start. crap bj and eventually came - she pulled off fast and realised then she doesn't really do cim, just a ploy to get punters. Most disappointing punt i've had for a long long time. avoid. complained to agency with no response.
