The Lady:

Young leggy slim beauty with great natural boobs, lovely figure with a shaven pussy..

The Story:

a nice easy start off with her telling me , my accent , London , reminded my of her father..(I am old enough to be her grandfather)

Plenty of easy chatter and lots of giggles from her..it was nice that she was so easy going and natural right from the start.....

We kicked off with gentle OWO , moved on to Reversed 'O' which I am sure she enjoyed a lot...finished with deep missionary with 2 pillows under her butt.....Me Old Man stood well to attention

throughout and really exploded in the finale...

I really enjoyed her and anyone who doesnt should only blame themselves...

I will be back for more
