The Premises:

Clean flat. Plain but tidy bedroom used just for punters obviously. At least one other person in the flat because she kept talking to them every time she went to the toilet.

Almost didn't find the place because it's a basement flat (agency could have said). I nearly gave up looking.

The Lady:

Very pretty, but quite a lot slimmer than in the pics (unfortunately). Nice spoken manner with a lovely accent. Smaller breasts than I was hoping for. Very soft and smooth skin. Non-smoker and non-drinker, which I like.

The Story:

This was a strange one. Was greeted with a lovely smile and tentative kisses. Very gentle. The led to the rather sparse bedroom. Took the option of the offered shower. Handed over the present. Some kissing and cuddling (GFE) and then undressing.

Began with oral on me, but with a rubber! What happened to OWO??? She was not keen on me touching her tits (sensitive or sore, I dunno). Then rimming which was nice, then back to oral on me when I came. She then disappeared after cleaning me all up.

When she came back I got a lovely relaxing massage with oil, followed by more rimming +!! Then more sucking me off through a condom... but she wasn't keen on me fingering her, and also wanted me to wear a condom on my fingers!

She finally let me put my finger up her arse, but only for a bit. When I said I wanted to f*** in her arse, she said OK but was not in the mood obviously and didn't want to go on all fours but just lay down on her front.

Overall not a great punt, but OK. I'd definitely take a stronger controlling role if I were to see her

again, and deffo just go for the one hour.

We somehow finished 15 mins early as well, which I thought was a bit off.
