The Premises:

Same as other FRs: clean, great location (discreet) especially if can get parked round back etc

The Lady:

Great body ? tall (about 5'9?), awesome tits, great arse, nice tan; good looking; blonde. Gold tooth (not worrying at all re: Richard SOL). Late 20s / early 30s. Looks good - simple as!

The Story:

The best thing about Lisa (even better than her body, face, massage etc) is her personality. Makes you feel at ease, has a good laugh with you ? can pretty much talk to her about anything (seems half-interested as well!). She?s been in the business for a fair few years (more than 10 methinks, despite her age) so she knows how to massage and make your cock as stiff as a board in a very short period of time! I only tend to have hand relief nowadays, but the thought of a 2-girl with her and Angie on a Sunday at spangles may put pay to that quick time. A dream-team combination in the massage world if ever I could imagine one!!
