Look at her website, what you see is what you get - Gorgeous!

The Story:

Paris is the most giving and generous wg I've ever met. She could kiss for England, in fact she probably has, but her OWO is just sensational. You'll also find she is intelligent, enjoys a good conversation, holds opinions without being opinionated, is really well grounded but, most importantly, is tremendous fun. She's also right about the GFE - no girlfriend was ever this sexy or raunchy!
