The Premises:

As per previous FR's. Discreet and out of the way location. No problem with parking.

The Lady:

Extremely attractive lady, late 20's, 34B, 22, 34... wicked figure. I am such a nipple man, and this lady has the best. When you can get your thumb and forefinger in a nice 'O' and it just fits over the nipple....you know you are onto a winner !!!!

Vicky...thats with a KY...like the gel..did mention that she was getting a boob job in a few weeks....wowsee...I guess it will be a good few weeks before she is back on the scene but I can hardly imagine what a delight she would be then. She is awesome enough as she is !!!

The Story:

I hadn't been to this place for a while, formerly Oasis, but was pleasantly surprised to be shown into the VIP room. Very impressive and make you feel right at home.

I wasnt in the mood for massage & tittle tattle....straight into some serious naughtiness and was not disappointed.

This is a lovely lady, great conversation, wit & banter...just what you need. Treat her well gents...and you will reap the benefits !
