The Premises:

Very high standard. ?12 for use of the facilities, everything else you discuss with the lady. Facilities included lockers (bag for valuables), showers, sauna and spa bath. Robe (Which was big enough even for me), and towel, plus slippers/sandals

the facility was very discrete, out of the way but easily accesable

The Lady:

Description as per web site. Long brunet hair,. 5ft 8in with 36-23-34 and I would guess C or D cup. Gorgeous.

this is the second time i have seen this lady, soo good thefirst time i had to go back for more, i would recomend her to any one, she realy worked for it, very worth while.

The Story:

I had a shower then the spa whilst waiting for ellie& the VIP room, the VIP room is worth the extra, i use it whenever it is avalable.

Wow - a stunner!

Excellent talc massage front and back with those super boobs drawn tantalisingly across every part of my body. Lasted a fair time, then "menu" discussed. Went for "the lot".

Everything progressed at my pace, with full cooperation, not hurried, with her looking straight into my eyes, - mind blowing work.

If you can handle the other punters, then this is a brilliant place, and if all the ladies are great I shall certainly be back.
