The Premises:

New ground floor flat in a new development Ample parking and very safe with discreet entrance. Immaculately clean and very tastefully furnished.

The Lady:

Much much better in the flesh than the photos on her web site which are very good also - her web site is one of the best I have seen - Tall not an ounce of fat and legs to die for - lovely natural breasts - just how I like them !!!

The Story:

Sasha has a great personality and makes you welcome and at ease from the moment you meet her. She is very experienced and knew how to get the best from my visit. I have seen her now many times over the last 12+ months and it gets better every time we meet. one word of warning though - she is very addictive so beware you too could become hooked!!

Great and gorgeous lady, thank you for the wonderful times we have spent together
