The Premises:

clean tidy place, felt safe though on a busy street, entrance at front and rear, parking okay.

The Lady:

Claire is late 20's early 30, 38gg and about a size 14, about 5'8", brunette with blonde streaks,

The Story:

After a shower I got on the bed and Claire was quickly upon me giving me a hands and breast back massage, which felt most relaxing, and sexy, I quickly turned over to get more of this on my chest, and soon Claire was going down to lick my testicles, and groin area.

Then she started giving me oral which I was not expecting to happen, but certainly enjoyed.

after some swapping of positions, i ended up coming on her body, aimed for the chest but missed and caught Claire under the chin, dont know how I missed as she has ample breasts to aim at.
