The Story:

I have seen Amoroza three times, last on Tuesday. I had visited her in her old flat but she has now moved to an even better apartment which is well decorated, spotlessly clean and discreet. Once I gave her lunch in a smart restaurant. She was elegantly dressed and talked with me like a niece with her favourite uncle. On every occasion I have visited her I have left immensely relaxed and happy. On Tuesday she was dressed in a sexiest possible way in fishnet stockings, a miniskirt and a basque. I arrived with a bottle of champagne. We consumed it in a lengthy hot bath, during which she chatted affectionately and touched me intimately. She has the softest skin and a figure of the greatest possible beauty, with lovely breasts and magnificent nipples. On the bed she massaged me, showering me with kisses and then we made love. When I was near the ultimate moment she used her lips, her mouth, her teeth and her fingers in ways which brought me to climax with indescribable pleasure. I always have longer bookings with her, because I love her company and she repays me with her beautiful body in ways that are always unexpected.
