The Premises:

Usual - as described before. I haven't been there for a while but it seems tidier and my room had posters on the wall!

The Lady:

I would guess early to mid thirties, quite preety in a lived in sort of way. About a dress size 12-14 good size breasts but a rather flabby ample underbelly.

The Story:

I saw a previous FR on this Lady and thought I would have a go. Unfortunately she didn't quite live up to the expectations I had after reading the report. She was very pleasant and friendly and quite attentative, but I was hoping for a real looker and she wasn't. Having said all that she stuck at the job and I couldn't fault her effort or enthusiasm. Still what do you expect for ?30.
