### The Premises:

Upper floor flat off side road. Close to tube. Busy street. Shared common area with another girl. So-so shower. Room pretty good with decent bed and nice music playing.

### The Lady:

Blonde, petite, busty like the pictures, though they are more flattering than the reality. Russian lady in her twenties. Good English

### The Story:

Liked the idea of a romp with a busty EE lady and took a fancy to "Angela" (though she is also "Pamela" at hot-collection and may have other names with other agencies). Friendly, attractive girl but with a slightly cynical jaded edge. After my shower, we got down to action.

OWO was excellent and I held off from an early orgasm. DATY on her which seemed to be appreciated (it may well have been but she is also a good actress) and she did come. Then a round of cowgirl where I was able to suck her very round and bouncy breasts until I came. Round 2 started with a massage and ended in a fine doggy (A is not on the cards). Round 3 (how, I never know), was via some good and extended oral/hand work. She is a professional at this and persevered until the end.

7/10 for looks, 7/10 for attitude and 8/10 for performance.

I would recommend her to others who like the body type and she's an experienced performer but we did not really click and so probably will not return.
