The Premises:

Usual Newbury massage place - inconspicuous entrance, buzzed in through the inner door then up to the flat.

The Lady:

Was shown 3 girls who were available, but I opted for Chloe.

She is relatively new so her pics arent on the website yet.

Pretty face, dark bob haircut, slim, nice tits, shaven down below.

extra ?20 on top of the usual ?80 for the owo - always worth it!!

The Story:

Started with kissing and removing clothes. Progressed to the bed where more clothes came off and more writhing and caressing.

went into a 69 where i could get to her oh-so-sweet pussy!

Briefly rolled onto our sides to continue the 69, then I suggested she went on all fours so i could lap her puss from behind - she seemed to like this idea!

She came on my tongue, then it was my turn!!

on with the mac then she suggested doggy - who was i to turn that down.

I did intend to change positions but she was playing with her clit while i was fucking her, so it felt too good to change anything.

We both came, then collapsed onto the bed!

Had a chat while getting dressed then I was off.

very good punt - as usual from this establishment.

I would and will return.
