The Premises:

nice place if a little exposed for the more wary

The Lady:

choice of girls but suzie looked the girl for me.

The Story:

So sorted things out and off with kit and onto the bed.

She did a wonderful massage that certainly exceeded my expectations and I was hard as rock in just a few mins.

As we moved on she got to work with her hands and mouth and soon had me gagging for more.

Time moving on so climbed on board and humped my way to happiness.

Good sesh and very cheap.

Very very good value for money.
