Slim,tall, leggy, lovely hair, absolutely gorgeous smile and an ass to die for. If you were to see this girl downtown, you would turn a second time!
Small breasts but the rest make up for them.

The Story:

This was my second visit to Chloe's and got invited with that very friendly smile. Very chatty and makes you feel at ease instantly..best pair of lips I have ever seen, the reverse oral was filled with her moans and my laps! When it comes "down" to business Chloe is an ace. Her kneeling btw my legs and firmly sucking on my joyboy with such lurid eye contact still sends twitches down my pants. She is a bombshell you would want to explode on you when it comes to Oral. And then she sat over me to engulf all of my hardness and started riding, yet again with an eye contact, that would make you thank heavens for a million years. A quick finish, rather, but ended up having a friendly on-date sort of a conversation that made me feel I knew her for longer I actually did. She is a very next-door type of girl. Treat her with respect lads.
