### The Premises:

Was an outcall appointment so she came to my home.

### The Lady:

Early twenties, Long light blonde hair, good looking.

### The Story:

Hannah arrived on time, when she arrived I hung up her coat for her and she had a revealing top which showed her lovely breasts, hmmm.

After a glass or two of champagne, she asked if we could go upstairs as she was feeling even hornier than ever tonight.

She undressed then undressed me. She started by giving me oral then on with the johnny then up she climbed.

I had a very good time and she said she did too.
