The Premises:

Did I find the right place? The address was the same, but all the signage is still for Omega massage. ?10 door entry fee and room fees from ?50 upwards - NOT what's listed on Diplomat's website, but after a long drive I couldn't be bothered arguing. I've been at this game too long and can recognise where punters are treated to the 'let's get every penny we can out of them' routine. This seems especially to be the case where most/all of the girls are from abroad (as here). Therefore picked the only 'English Rose' on duty and limited myself to the basic room/service. Got to give credit where it's due though. Nice surroundings, good clean showers and sauna/steam room, and well kept massage room - at least the one I saw was.

The Lady:

After saying all that, the service I received was actually very good. Hats off to Katie for a good firm massage, uncovered 'O' including deep throat, and the PSE of me wanking over her to finish off. Katie about 5'5", probably b-cup, early 20's very innocent looking girl, blond hair and lovely firm body.

The Story:

Enjoyed the service immensely. Didn't enjoy the Euro-waifs wrapped in blankets trying to sleep all over the leather settees! I don't normally give poor/qualified reports (easier just not to give one at all) - but it's good for you to know what you're getting. Not my cup of tea, but it may be yours. The place is open until 6am if you're drunk in Sheffield one evening!!
