The Premises:

Well known very welcoming team of Tony and Gabby - especially so as I hadn't been there for a while. Lovely coffee while waiting for the girls to be free. Would have happily seen both girls (well, either girl) but chose Alexandra.

The Lady:

Slim tall black-haired and attractive girl with a hint of Jaime Murray (Hustler tv prog) in her looks. Good English and positive attitude. Also lovely petite bottom and beautiful shapely distinctive breasts. A few tattoos which were not at all off-putting including some cat's paws on her tummy.

The Story:

Had a good time. The chat was fun and good humoured and Alex was not looking to stop hands roaming though I hope I didn't take liberties and stopped if Alex hinted I should.

Usual pattern of activities though a friendly chat led to reverse oral after oral rather than with so she could enjoy it more. Good sex and as with the oral Alex was fully involved throughout.

A lovely girl and an obvious one to see again. Thanks Alexandra!
