The Lady:

Electra is 5'7" tall with a 34C-26-34 size 8 figure. Electra has brown hair, blue-green eyes and a beautiful smile. Electra has one tattoo on her lower abdomen, but two larger tattoos on her back ? a scroll design bordering the top of her bum and the other an explosion of stars that emanates from the lower left diagonally up to her right shoulder.

The Story:

The first thing to strike me as Electra entered the room was her beauty, this lady is gorgeous. We discussed the business and she offered me a massage. Electra gave me a gentle back rub that end with her caressing my buttocks, she asked if I also wanted my legs massaging, she then massaged my thighs but after a while she was again caressing my buttocks. I then offered her a massage in return and she accepted, so I proceeded to massage her back and shoulders, I would have continued down to her lovely legs but she was wearing stockings and my hands were very oily.

Electra asked what she could do for me, when I replied ?oral and sex? she began some very good OWO. I ask her to straddle my face so that I could return the favour. Electra slipped out of her panties and went back to the OWO as I returned the favour by giving her labia and clitoris my full attention. After a while it was on with the condom for Electra to get on top for a spell before we swapped positions for a long, slow build up to the natural conclusion.

This was Electra?s first day in the industry and her insistence on doing her best to please me was wonderful ? I truly hope that she does not loss this quality as she gets experience in the business. In word one Electra is fantastic, she is a star in the making and I?m delighted to have had the privilege of being one of her first clients.
