The Premises:

As in previous reports for Indulgence. This establishment is under new management and has gone back to being Oasis again.

The room used is the VIP room as shown on the indulgence website less the hot tub which has gone but is still a clean well designed and quite luxurious room for having serious fun.

The Lady:

Early 30's blue eyed brunette. About a size ten figure.

The Story:

After a nice refreshing shower which Vicky had the dubious pleasure of seeing me come out of settled finances with the receptionist(as I had opted to pay by card) settled down to a nice massage with talc which Vicky had a nice technique. Rolled over onto my back for the serious fun to begin.

Nice covered oral from Vicky who then sat on my face for some reciprocal oral which she enjoyed judging by the twitches of her body and the sounds coming out of her mouth.

Vicky then moved down and gave a really good ride on top in both normal and reverse cowgirl position. A quick bit of doggy and then I finished off coming over her boobs.

Just what I had needed after a particularly trying week at work. There are better looking ladies than Vicky but she was nice to be with, chatty but not too much and a darn good shag.
