The Premises:

Opposite of hotel hilton, top floor flat, clean and well decorated, nice bathroom, felt safe.

The Lady:

Very slim, you can't see her face in d picture, tall and good looking, personally I didn't like her figure, tits and ass were not not my type.

The Story:

Had 2 glass of red wine and 2 whiskey and got an urge to fuck some one, called some agency but failed, but barracuda arranged this whore immediately, took little time to find her flat. She welcomed me wid a smile, sorted d finance and started to suck her ass and then her pussy, she told me to b gentle, offered some more wine, had it and she gave a good bbbj with some rimming, then I asked for a condom, she applied it wid a ring vibrator and a condom ring for added safety, bull sheet, then I fucked her different position and came to her mouth.

Didn't bother for round 2 as she wasn't my type. cigi break wid little chit chat, good london view from her.

I didn't enjoy but that's not her fault, she is very professional and offered me good service.

Looks 6/10, appartment 9/10 and service 9/10.
