Clean dry parlour above a motor roofing shop safe and dicreate but the area was scruffy.

### The Lady:

Only one girl working 40+ small very small breasts not at all pretty.

### The Story:

Nice room - massage could not be describe as anythink but crap and the sex was not much better - whole lot lasted no more than 10 mins. Oh when is someone going to offer a decent service in North Wales. Please please will someone open somewhere that is good even if expensive, I am sure they would do well.
