The Premises:

Nice WG Flat 5mins walk from South Ken Station. Comfortable, safe, good area. Shower was nice, bed was squeaky.

The Lady:

5ft 6 tall (size 8-10) brunette, similar to photos on website but with curly hair. Gorgeous gorgeous eyes and a lovely sexy smile! (called Gemma at ATOC) She was dressed as requested, very sexy! Boobs are an A cup NOT a B cup by the way.

The Story:

Had a quick shower and handed over the money. It p-ssd me off when she proceeded to count it in front of me! But there you go. Started with loads of DFK and then reverse O (including sitting on my face - great view!). She loved it so much that she came. Her pussy lips protruded significantly and clit stuck out even more.

Finally she went down on me and began a long session of BBBJ and all I can say is WOW!!! She was fantastic and had me on the brink 2 or 3 times. Watching her gorgeous head bob up and down at varying speeds was sooooooooooooo good! She is as good as previous field reports say.

We then had sex in a number of positions but she asked me to go slowly because of my size. Doggy was best and I really went at it, which is when the bed began to make loads of noise. I reached an almighty climax. The only other off-putting thing was that she was obsessed with checking that the bl--dy condom was still intact!

We talked quite a bit afterwards but her English was just about adequate!

I asked the agency for a combination of PSE and GFE and guess that's what I got. The lady on the phone was very friendly.

If you're looking for a PSE BBBJ and the rest as a GFE then this is the woman for you.

Sofie was a little too conscious of the time which is what finally put me off going back again.
