The Premises:

Lacey's downstairs, second time I'd been here, was shown into a large clean bedroom by the maid and offered a drink.

The Lady:

Blonde experienced English lady, around late 30's to early 40's, not 29 as described on the phone, but that didn't worry me. A slim size 8 tanned body with massive enhanced 34'FF boobies. Just like her pictures on the Lacey's website. Does all services.

The Story:

Two ladies working, Lisa came in to introduce herself, gave me a kiss, she looked great, she told me that the other lady Channel would be free in five minutes. So no rush to decide, after meeting Channel I chose Lisa. I went for the 40 mins greedyboy service, gave Lisa the money and she gave me another big kiss.

After a couple of minutes Lisa returned, Lisa offered me a massage with lotion, she was good at this, we had a bit of chat, then Lisa told me to flip over, Lisa then lay on top of me and started kissing very passionately, and rubbing her massive boobs in my face.

Lisa then worked her way down my body, kissing and licking as she went, she's a great tease, OWO was next, Lisa is an expert cocksucker, obviously plenty of practice. She made me rock hard very fast, gives deepthroat took me right down her throat. I played with her pussy as she sucked me, I could only get one finger in her, I could feel her flex her muscles. Wow! She's so good that I knew I'd be cumming soon. If she carried this on, got Lisa to lick my balls to calm me down. Moved to a 69, she tasted good.

Time to grab a condom, Lisa mounted me in cowgirl, surprisingly she's quite tight, lots of dirty talk from Lisa, she is very energetic, kept kissing me and shoving her tits in my face. We changed to Doggy position, good to see us in the wall mirrors.

I asked for anal, Lisa got some lube out and we changed to Mission, Lisa put her fingers in her pussy

while I was In her arse, could feel her. she was very vocal telling me how much she enjoyed It,

I wanted to cum In her mouth, so lisa got on her knees and swallowed my cock, got on my back and she carried on sucking me deep, Infact I ended up fucking lisa's mouth, until I had a amazing climax, which Lisa swallowed whole!

We cleaned up and had more chat before I left, no rushing me out the door, even though she must be very busy.

Lisa was one of my best PSE punts ever, she does pretty much everything thats stated on the site, If you are bored of cute teenagers who are starfishs, go and see Lisa, but be sure to have 3 shredded wheat first! She also works In Wycombe and Watford too.
