Website: <http://www.agencybarracuda.co.uk>

The Premises:

Only a tiny bit of difficulty finding it, but safe and secure.

The Lady:

Maybe a touch less beautiful than her pictures on the web, but gorgeous anyway.

The Story:

Lovely lady. Smooth skin. Nipples that pointed to The Moon especially when sucked. OWO CIM included in the price, plus she was responsive to being waked up in the early hours of the morning to satisfy my desires. I know from web-browsing that she works for other agencies as well. But at the same time I am satisfied that she charges a reasonable price. I am not usually inclined to an overnight stay, but on this occasion it was worth it. Money well spent.
