The Premises:

Very smart 2 double bedroom apartment opposite S Ken' Tube. Ideal.
Tanya, the lovely host, kept everyone topped up with drinks and snacks.
One negative comment ! Get the music sorted Max ;-)

The Lady:

Lia: Physical perfection, absolutely stunning.
Sasha: New to me, curvy, busty but firm, pretty and enthusiastic.
Samantha: Attractive, American and over here ;-)

The Story:

Had a great time at short notice.
Max had a couple of drop outs so I was able to "come on at half time" so to speak, hence the reduced tariff.
I have been to a few of Max's parties and the girls never disappoint, although I do have my favourites past and present.
Sasha, dressed in nothing but a pair of fantasticc thigh high fetish boots, soon got me started with a very enjoyable quickie. Then came the pleasure of seeing Samantha and Lia play around together and allowing me to get involved.
Lia then gave me one of the raunchiest and frantic shags of my life !
For me, special mention must go to Lia. In my 2 years of exploring this world Lia is the one who really truly lights my candle.
No disrespect to any other woman I have reported positively on, but I just click with her. She is unbelievable. Only Lola at HofD came close, but she was all too briefly on the scene.
I've really decided to resist my drunken Soho quickies, which I always regret in one way or another and look forward to those much more satisfying encounters with the real professionals.
