The Premises:

Very beautiful apartment, large and spacious. clean and all was good there. It was just incredibly hot as the heating was on and she said she could not turn it down

The Lady:

hard to say if she is the girl in the photo. I guess so but in the photos she looks different, however she is a very beautiful German lady! slim, blond, nice boobs (enhanced)

The Story:

I asked Prime escort to arrange all with Sofi. The receptionist was super friendly and very accommodating! thanks a lot for this!

I had special requests and I wanted to be sure to have them satisfied.

Sofi dressed as sexy secretary as required. She was stunning and very sexy with her suit, glasses, stockings and pony tail.

She is very happy to please, we started kissings and we went to bed.

Not much wasted time as her english is quite poor.

OWO was ok but nothing special. She tried hard but I could not cum a second time. Anal is on offer for the same prise but I was too big for her.

A good punt overall but more a PSE than a GFE. Perhaps not one of the best I had but I would recommend her
