The Premises:

Nice block of flats. Safe, clean and easy to get to.

The Lady:

Just as pretty as the pics promises, Gorgeous breasts that she claim is not enhanced but just lifted - and they feel all real to me.

The Story:

First, she's been in the UK for 5 days and her English is close to non existent. However that is made up with a good attitude, enthusiasm and skill.

Once we were undressed the first round was like two horny youths eagerly wanting each other in any and every way.

After a short rest and me brushing up on my few words of Russian she started OWO, very enthusiastic and very good. I could however not complete the second round but the experience was still top.

She says she'll stay for six months so treat her well and make her rich ;-)
