### The Premises:

An up market appartment that is a couple of minutes walk from Holborn tube station. Very clean & tidy.

### The Lady:

Yasmin is a very attractive slim indian girl, mid 20's. She was wearing a little black dress with some sexy black lingerie underneath.

### The Story:

I rang up to make an appointment earlier and was told by the maid that there were two girls working today, Yasmin & Anjali. I selected Yasmin for an appointment at 6:00pm.

Once I arrived at Holborn just before 6:00, I had to call the maid again to get the address / directions (Very easy to find).

Once inside the maid showed me to the room, before Yasmin came in to the room (I wasn't disappointed). Once we had sorted out the financial bit, I was invited to take a quick shower before we got down to business. Started off with a nice relexing massage. Then it was on with the condom for a bit of oral, followed by sex in several positions.

Overall a highly enjoyable punt and I will certainly be back to this establishment again...
