The Premises:

NG House, new place, loads of investment, top place. Staright through to the lounge.

The Lady:

Illie is only small at 5ft, very pretty and has a great nature.

The Story:

7 ladies are on the premises. Two who were already in the lounge, Chloe and Illie. Both have pictures on website. Also two punters chatting to the girls. I saw another three girls knocking around during my 90 mins there.

Anyway, chilled out in the lounge having a drink chatting to Amy, she then offered a guided tour. 8 bedrooms downstairs off the main reception room. Upstairs next to the lounge are 4 overnight rooms being put together. So you can stay overnight with one of the girls. It seems a cross over between parlour and indie/agency.

Back upstairs, more chatting, another drink, no pressure to book in, just chill. Anyway, I had a chat with Illie and I got the impression talking to her that she'd be a bit more full on in the room than the other girls.

Anyway, she's on me like a tiger. Staright into DFK and she's tearing at my clothes to get them off. No offer of a shower (though it was there in the corner - though I'd had a steam and sauna at the gym less than an hour ago). She's on her knees deep throating my cock within 30 secs.

So lots of DFK, ball licking and good deep throat, quite vigourous and she didn't gag. Brought me to the edge a couple of times before backing off. Kept asking me what I liked and then went for it afterwards. She went into a nice session of rimming without being asked.

She fucked like a rabbit, bouncing all over the place on top of my cock. Really slamming it and rolling on her back and begging. Nice light spanking applied to her as well. I finished off over her tits

as she begged to get covered in cum whilst squirming around on the bed.

Into the shower and had a chat/fondle/kiss and cuddle to finish off.

?50 all in.
