The Premises:

2nd floor flat on a busy arterial route 150 yards from Earls Ct tube. Totally unprepossessing from the outside with awful common parts - I nearly turned back at this point. However inside a comfortable studio, pleasantly furnished and candle lit.

The Lady:

As per photos - not stunning facially but slim body with firm enhanced boobs. Pretty dress and knickers with high heels.

The Story:

I have never had a warmer welcome. Immediate DFK before the formalities were sorted in a very friendly way. Then enjoyed a bottle of prosecco that I had brought from tumblers - you might want to take your own wine glasses.

Slowly undressed each other and collapsed on to the bed to enjoy turns at DATY (totally fresh tasting) and superb OWO. Followed by a too brief session (my body's failing) with her either on top or on her hands and knees. I think she has amazing muscles 'down there'.

After I was spent I enjoyed more time DATY, about which she was nicely complementary. Relaxed with a cigarette each and the prosecco, chatting about Russia, before, totally unrushed, she tenderly helped me dress.

Total GFE. Nothing kinky but so welcoming, charming and keen to make sure you have a good time. Would happily take her out to dinner. Her photos did not attract me to her, but Relaxed's PFR did, and as ever I am grateful to him for finding a great girl.

First time using ATOC. Professionally arranged appointment.
