The Story:

Fantastic visit - one of the best and Ive seen a few - Charlie was introduced to me by bukkakeman, who i know quite well (see web link) ... most things on offer and she obviously enjoyed the session as well, which always helps. Started with a short massage just to relax, as it was after work punt. Used her hands, breasts and already damp pussy to good use, sliding about on my back - soon turned over and administered fantastic bj, deep - slow, and with obvious relish ... she turned around until I could have a play with her bum and pussy, and very soon came around my fingers ... she then sat on my face whilst sucking me deep and we had a lovely 69 - she is clearly very sensitive and it was great! I was now in danger of cummin myself, so I climbed off the bed, she knelt down on the edge and with her help i pulled one off into her eager warm mouth ... she took it deep, gagged a couple of times and slurped the lot - it dont get much better than that ... she giggled and said my spunk was sweet tasting! Ive never had that before! lol must have been the strawberries last night! ... kiss and a cuddle, short chat, and more oral ready for round 2 ... I'd asked for A at some point, but she was very very tight, both in pussy and arse, so i had thought upto that point that it wouldnt happen ... no worries! --- she started by riding me to her second orgasm - a really good long shag that was --- and she is very flexible and very eager - we were both wet thru by now! then I flicked her over and doggied for a while, priming the ring above with my fingers --- she loved it, and soon took me out, and after a little lube i slipped in lovely in the A ring ... slow, slow gently ... and then when we ere in rythm off she went ... like a train! she came again, fingers on her clit and me rammed as far up here glorious arse as i could go ... i was wrong - it had got better! ... i then carried on and DP'd her myself by tucking some fingers up her pussy whilst pumping her wonderful arse! cant believe this all happened but it did ... off i blew! had to happen and a lovely ending to an energetic hour - she's a great girl and if you click, as i think i did, you will have a great time - I had another shower and still had a hard on and a big smile - (she has a wicked sense of humour) ... Charlie is Polish, and I reckon from what she said she wont be around Brum for too long - take my

advice - get to see her - BUT - join the queue cos I'm back in it already! Charlie - you're just GREAT! tks xxxx PS - hope the bed is OK! lol xx
