The Premises:

Debbie's is so well-known it hardly needs describing. No apologies for the fact that this is my third report on the place - when you've got Debbie's just up the road, it seems a bit pointless to go any further afield!

The Lady:

Very pretty, very petite blonde with sensational figure - perfect breasts, slim waist and curvy bottom. Lovely smile! Hard to place accent, but she told me she was half-British and half-Swedish. At least, I think that's what she said but she was soaping my cock at the time, so I was finding it hard to concentrate.

The Story:

Bonnie was a little late (apparently she rarely gets in before 11.30 so you might want to bear this in mind!), but Debbie kept me chatting. Bonnie immediately took charge when she arrived and changed from her jeans into a very sexy outfit - and very high heels. We were quickly undressed and into the shower, then back for her to enjoy some oral, then 69, oral for me, followed by missionary and doggy ("my favourite"). By this time, it didn't take me long... There was no kissing on the lips, but Bonnie was so up for everything else that it didn't matter.

As usual at Debbie's there was no rush to get me out, and Bonnie finished by giving me a relaxing massage and we enjoyed a bit of a chat. As I was dressing, Debbie popped in to offer a drink - it's that kind of place! All in all, a great way to spend my morning.

Bonnie is new at Debbie's but I don't think it will be long before she receives many more glowing reports. Lovely.
