### The Premises:

A nice, clean, safe residence in a nice area. Permit parking and meters nearby. Watch out for the gestapo-like interrogation on the front desk as you enter the apartment block (I exaggerate), leave your name, number, reason for visit (I hope you are all good liars, of course you are, you are punters). Perhaps nearer to Gloucester Road tube than South Ken but both are fine.

### The Lady:

No surprises here from the pics. Dana is tall, slim blonde with a firm, toned body. Lovely small, pert tits and a great arse.

### The Story:

My first choice was unavailable and the agency suggested Dana which I was pleased to accept since I'd already been let down at a couple of flats.

After the palava at the front desk I was greeted by Dana and had a shower. She is Russian and speaks virtually no English (except for "super") so be prepared if it's a chat you want. Dana made up for her language shortcomings by being an enthusiastic host. She grinded on me in her minidress as I admired her arse.

Kissing was on offer but not to my liking, OWO was light but included teabagging. She got quite wet as I rubbed her burger and soon we were ensconced in a 69. I came during missionary sex. Because of the lack of conversation she gave me a decent massage. More kissing and OWO before sex in a variety of positions (doggy was the best). I jerked to a finish as she teabagged me some more, this afforded me a great view of her arse.

A pleasing punt, Dana is a sweet and obliging girl, if a tad unskilled (this may add to her charm). Her gorgeous flatmate (dunno who she is) had moved my clothes to a more suitable place than the bathroom floor and explained this too me, looking very sexy. She too has a great arse.
