The Story:

From the instant Susie appeared at my door, I felt comfortable and at ease. Susie is not only gorgeous to look at it but also has a charming and amiable personality, so much to the extent that I would have been delighted to have spend all 2 hours just talking with her! Luckily, she kept me pointed in the right direction with the suggestion of a message early on that quickly turned into multiple sessions of some of the best sex I've had in a very long time. To my delight, Susie takes great pride in her work and did an excellent job of pleasuring me in numerous ways and in different positions of my request. She also gives the distinct impression that she really enjoys her work. Susie has everything you could want from a girl and anyone lucky enough to spend time with her will be hard pressed not to agree.
