The Lady:

Siobhan is a Very nice, blonde, very Girlish Lady.

The pictures on the site were not of high quality, they were accurate, but did not quite do Siobhan justice. Siobhan came dressed nicely, neutrally, very well presented and exactly right for the occasion.

She initially had this innocent, curious and very girlish expression on her face. I just melted. After a brief boy-meet-girl-first-time moment, she unfolded as a confident and experienced personality. She was Marvelous: Very Gentle, Friendly and Communicative.

Siobhan will have no problem getting on with any decent chap.

The Story:

Siobhan is not only a very Friendly and communicative Lady, she also knows how to treat a man (Read: how to Spoil her partner!). And that is what she did. A true and total GFE.

Behind her friendly, girly face she hides an expert Lover. Her kissing is Superb and a real turn-on. As for the rest, I will, as usual, not reveal all that we did, but you can be assured that Siobhan knows what she is doing. She knows how to sense your desires, she knows how to react to them.

Siobhan is a natural on the bed. Everything just happened, with very few words exchanged. Our lips were engaged, our minds seemed to connect completely, not much need for words. We both enjoyed a long, close, tender date with a Hot climax. And we were both called to order during the after-glow cuddle by our respective phone-alarms.

A Cracking Northeastern Lass, and a truly Good Lover - just my type.
