The Premises:

Victoria House looks like one of those 19th century buildings with lots of victorian architechture..only now it consists of loads of pictures of WG..I couldnt help feeling like a king.

The Lady:

A stunner..5 7" brunette, with ample to hold on to..pleasing smile, shining white teeth..an inviting bum..and an architypal pussy..an inspiration for erotic artists!!

The Story:

Started out with a massage..what I liked the most about this girl is she took her time to warm up for the session, she made polite, friendly conversation throughout the massage session, then when I started to lick her while she lay on her back, her moans got her all hot and high..she then became a wild rabbit in need of a good fuck...I have seen WGs in my time but girls like Tara with such enthusiasm and being really horny is a rarity..An oral I can never forget and I can still hear her say "you better fuck me real good" and "slap my clit with that thing!"

Oh my sweet lord..I thanked heavens for booking her that evening..I then, went on like a stallion finishing in mish..she made great eye contact throughout and to add more flavour, talked dirty too. A Goddess. Thank you isnt just enough!!
