The Story:

I've been waiting a fair while to see Estelle, shes always fully booked, but believe me when I say she is definitely worth the wait. If you are reading this then no doubt you are already aware of Estelle's almost legendary status in this business. Every review will tell you how incredible she is and this review is no different.

Almost as soon as I got through the door, she sat me on the end of the bed and put her hands straight down my jeans, reaching for my cock like she'd been starved of it. She proceeded to give me unbelievable BBBJ, but she wasn't satisfied with that. She had been kneeling in front of me, but the angle wouldn't allow her to take my cock deep enough into her mouth. So she decided to get on the bed to try another angle. I think her exact words were '..Im gonna get the whole thing in my mouth even if i have to dislocate my jaw..!!!!

We moved into the 69 position and she finally got what she wanted, she had literally swallowed my cock whole, as I gave her back as good as i got. From this she moved onto her back and threw her head over the end of the bed, and basically ordered me to give her mouth a good pounding. To cut a long story short, the oral continued for about another 10-15 minutes and ended with me cumming in her mouth, with Estelle swallowing the whole lot. Even then she wasn't finished, she continued to suck my cock and my balls.

What happened next, I still can't quite believe. My entire fist disappeared inside her, with Estelle encouraging me to continue until she orgasmed. She carried on with her huge collection of toys, with every hole occupied. She asked me to fuck her in the arse, which i did with pleasure. To finish, she was literally begging me to come all over her gaping arsehole, but i couldn't quite manage it. I think she emptied out the entire contents of my ball with the awesome head she gave me earlier!

This woman made me feel like i had just been on the set of a porn movie. Everything you read about this woman, you can believe without any doubt. The sex is incredible, I got the impression the dirtier the better as far as Estelle is concerned. But apart from the sex, Estelle is a really warm, friendly, genuine woman. She made me feel at ease the entire time. She makes you feel like you are a porn star. Thank you Estelle for a wonderful time, I will definitely be back and I hope next time I can give you exactly what you want. You are a star. xxx
