The Lady:

19 year-old Portuguese girl, very attractive. At a guess, 5ft 7in tall, dress size 10. A pretty face, with jet-black silky and glossy hair, and a friendly smile. Slim and well-toned body, with perfectly-shaped breasts of medium size. Probably about 34B-24-34.

The Story:

In spite of the fact that her English is still rather limited, she was very friendly towards me. Not only that, but she is both sexy and highly-sexed. Ideal for a GFE, with the one exception that she does not kiss passionately. She responded to my attempts to kiss her by giving me a few little pecks, but that was all. She does everything else, though, as far as a GFE service is concerned. In fact, everything else that she did for me was so good that I can forgive her unwillingness to involve herself in some real kissing.

Excellent massage, varying over the whole range from firm to tingly fingertip. Body to body, using her breasts well. She then allowed me to give her a massage, groaning and saying "Thank you, thank you" as I massaged her neck and back. She really did seem to enjoy being touched in this way. I then decided to give her some gentle and caring body to body, and she started to slowly gyrate her hips so that her soft bottom rubbed against my erection. I had to stop after a short while of this, because I was in danger of coming well before my time. So I asked her to lie on her back, and gave her a gentle massage between her legs. She seemed to enjoy that as well, and did not object when I stuck my finger a short way up inside her. Although she does not kiss (much), she does cuddle. I would describe her as one of the best cuddles I have had from a working girl. Her body seemed to fit perfectly with my own.

I have long known that the girl who gives the best massage usually also gives the best sex. Nina was an excellent example of this general rule. I prefer the missionary position to any other position that I have ever tried, so I cannot report beyond this, my personal choice.

Afterwards, she decided that she would like to take a quick shower. For my entertainment, she started pressing her body and her breasts up against the glass shower partition, kissing the glass towards me as she did so. I nearly came a second time as I watched this performance. Sexy, sexy, sexy!

Nina was top-drawer for what I wanted. But if passionate kissing is what you particularly want, then perhaps it would be better to try one of the other girls.
