### The Story:

It was my first time with Linzi and after reading some reviews I chose her despite having a choice of younger, more gorgeous girls at that time. I knew I couldn't get more energetic and enthusiastic time with any other girl than Linzi and I wasn't disappointed. She instructed me that I "must" cum at least 3 times (gestured by sticking up 3 fingers in air) within our time and that I should fuck her good before I leave. Not only was she a non-stop chatter, her dirty mind appealed to mine so fucking much that I came, after a deep OWO, in her mouth. It felt as though she was sucking up all my jizz right off the ducts in my balls.

Well, I lay there smiling as though a hanger was stuck in my mouth, gleefully enjoying her stroking me lying next to me while her bare breasts brushed against my face. After a little small talk, she goes, "Are you ready for another round? This time you have to fuck me like a dog!" My cock wouldn't rise to the occasion but Linzi's deft handjob with some gel made the trick. I was surprised at how she unleashed the hidden energies in my loins. What followed is what I can only describe as most memorable fuck of my life as it felt Linzi had cured me of anxiety of premature ejaculation. I pounded her doggy and mish like a man-machine, (which I fancied being since I was 8!) while Linzi went on asking for more. A delightful lady with lots to give and loads to take. I love this lady. Would I recommend her? Are you kidding me...hell yes.
