### The Premises:

Large block on Gloucester Road. Bored porter who was totally disinterested as I walked past.

### The Lady:

As per pictures. Brunette, petite, small boobs but bum and thighs a bit more substantial, although not fat. Also on Alphababes and escorts-of-London websites. Certainly worth a second look if you walked past her on the street.

### The Story:

ATOC was closed this week-end so I had to rely on lesser agencies. There were no reports on her so this was a risk, but she looked good in the pictures. In a word - dreadful ! No shower offered before or after, totally disinterested and just went through the motions. Obviously hates this job! I would also hate this job if I had to do it, but if you choose to do so, then do it enthusiastically -- that way you get busy, make your money, and get out of it much sooner. Avoid. There are much better options available.
