clean and safe. fairly easy to find

The Lady:

had put on a fair few pounds since her pictures were taken

The Story:

i visited her some time in july 07, so this FR is a little belated.

despite being slightly heavier than expected it was a good punt. lots of intimate action. i could not fault her on her attitude and enthusiasm. Plus she was very accommodating and friendly.

worth a punt if you don't mind girls that are slightly larger.
