The Premises:

Well reported in many other FRs (including mine). Clean, comfortable and a short walk from the station.

The Lady:

Was a bit of a wait but when I saw Krystal decided to wait. Tall, slim, long curly haired brunette, good figure, decent sized chest. Facially fairly good looking - she's from the Czech Republic. Overall a good package.

The Story:

You pay by the menu at this place - I opted for covered oral and sex.

Good teasing to get me started and she gave a good blowjob ("CORKSCREW" TYPE STYLE THOUGH SHE DIDN'T DEEP THROAT) though her hair was in the way so I couldn't get a good look. So much so that I actually came through her oral alone (which is rare for me with a condom).

I guess I could have paid ?10 less for this service but not complaining though this is one reason why I prefer paying for time rather than services.

Afterwards there was no hurry to get me out and stayed for a while chatting in the afterglow until 30 mins was up which was a nice touch (hasn't happened for me before at this place).

In summary, a nice looking girl who provides a good service. I probably won't return as the punt didn't have the "wow" factor for me but I definitely recommend.
