Felt safe and very comfortable.

Belle is a bubbly, curvaceous and exciting lady with 38G natural breasts, long dark hair and a beautiful face.

The Story:

I was shown to the room by Belle who rejoined me a few minutes later wearing a black chemise, undies & high heel shoes.

We lay down on the bed and had some pretty full-on snogging, after Belle had put some of her lovely red lipstick on me (we both love this). She took off her top and I decided it was time to sample the delights of those enormous tits. I began licking and sucking her nipples, she told me that she often orgasms from her nipples being licked as they are so sensitive. I gave her nipples a thorough seeing to and sure enough, her back arched from the bed and she came with a shudder. I told Belle that I loved my nipples being licked and lightly bitten so, it was my turn. God, it was fantastic. She sucked and nibbled my nipples, I was in heaven! She then put on a johnny and after licking around my balls and arse, she gave me some long, slow deep throat oral. This girl certainly knows how to use her tongue & mouth. Belle loves anything to do with the arse (Anal was on offer for ?30) so she put a johnny and lube on her finger and gently fingered my arse. She was playing with my nipples, sucking my cock and fingering my arse at the same time. I told her to fuck my arse and I couldn't hold on and came with the most intense orgasm I've had for a while!

After a few minutes rest, I got Belle to lie on her back and proceeded to lick, nibble and kiss my way up her gorgeous legs. Belle has 3 piercings on her pussy with a little bolt going through her clit. I licked her pussy and after giving some attention to her clit piercing, she had her 2nd orgasm of the session.

Belle is absolutely insatiable so, I put a johnny on my finger and played gently with her sphincter before finger fucking her arse. Belle was rubbing her clit while I was doing this and had her 3rd orgasm.

Belle wanked me to my 2nd orgasm, Belle you are one dirty, horny bitch!!
