The Premises:

Cathy's place is a small bedsit near the train station in Norwich, Although its not the cleanest ever I always feel safe going there as its very discreet.

The Lady:

Cathy is best described as a BBW I am not sure of her age and she is no Pamela Anderson but she more than makes up for it with her fantastic bubbly personality and her welcoming smile.

The Story:

This was my 3rd visit to Cathy and its straight down to business ask to see her breasts they are wonderfull, and she gives a mind blowing blow job to completion and swallows the lot.

Your a top girl Cathy see you agin soon xx
