The Story:

All you read about this girl is true. Greeted me in fuck me knee high boots & school girl uniform. Gave me a lap dance & could not wait to get her lips on my cock, tried to suck all teh cum out of it while I stood up.

She leant over the bed as I first tasted the goods, she then pulled out a massive dildo for me to fuck her with & then took her to the hilt. She sat astride me with those heels on & fucked me cowgirl style - total PSE I have the heel marks on my thighs to prove it.

After a 10min break for a fire alarm that almost ruined the visit went for round where she did her best to leave my cock sore asking me to order her about grab her ass & really pound her
