The Lady:

Stunning, answered the door in a smart jacket and skirt combo, she looks nowhere near 51 and better in the flesh than on her website.

The Story:

I have tried to meet with Morgan several times but due to the nature of my job it is difficult to arrange anything more than on the day, anyway I rang her on the Sunday as a website that she uses said she was working, this was actually wrong but we seemed to click on the phone and we agreed to meet. When I arrived we sat on the sofa in the lounge and spent 5 minutes getting to know each other over a drink, she then leaned over and we kissed for a good few minutes with hands sliding around each other. We then retired to the bedroom where we undressed each other, as she removed my boxers she sank to her knees and gave me a delightful blow job, she moved me slightly so that we could both see what she was doing in the mirror. We then got on the bed where mutual kissing, licking and sucking continued until Morgan decided that it was time to fuck, so, on with the cover and we had frenzied sex in cowgirl, doggy and missionary, finally finished with me shooting my load over her tits while she played with herself. She then cleaned me up, had a quick shower and a chat and then I was on my way a very happy man.

Well worth the wait to get to see her. I will be back!
