The Premises:

Diplomat has improved going by what I saw and others reports as this is my first time here. As others have said off street entrance so private. Secure entrance and pleasant area to sit and drink before or after if you wish.

The Lady:

very much as describe, petite with enhanced breasts thatr look bigger as she is a small lady, 5'. For once a thai lady who looks her age i.e 19 not going on 30... :) Long dark hair and a face to die for. Had a hard on just meeting her.

The Story:

I chose ?45 so was shown a small room with a big mirror next to the massage bench. Next time I will pay the ?55 to get a bed, depending on the lady of course...

Melenie went to work straight away and was great except everything other that sex and OW came at an extra cost i.e. giving her oral..

My problem is that no matter what a lady does I take ages to finish (not bragging) but she had patince though she did want me to finish quickly. Saying that I will be visiting her again and would struggle to go to another lady. :)

As others say treat the lady with respect becuase I want to see her again and don't want her pissed off ... :)
